MEMORANDUM FOR: Director of Central Intelligence
SUBJECT: Approval of Representation Allowances
REFERENCE: DCI Memorandum dated 22 February 1957, Same Subject

1. This memorandum contains a recommendation submitted for DCI approval. Such recommendation is contained in paragraph 4.

2. Reference memorandum requires each Deputy Director to submit to the Director at the beginning of each fiscal year his proposed schedule of maximum allowances for senior officials under his jurisdiction, assigned to permanent posts of duty outside of the U.S. With the exception of [REDACTED] Senior Scientific Representative Abroad, all senior DD/I officials overseas draw representation allowances, when necessary, from funds available to the respective Chiefs of Stations and, therefore, no DD/I request is made for these individuals.

3. In the case of [REDACTED] I propose that a representation allowance in the amount of \$4,000 per annum be authorized. This is the same amount previously authorized. Since it now appears that [REDACTED] will be returning some time in February 1958, I shall prorate this allowance so that he will receive approximately two-thirds or some \$2,700.

4. Recommendation. It is recommended that you approve a representation allowance of \$4,000 for [REDACTED] to be pro-rated over the length of time he will actually serve overseas.
